To whom it may concern:

I am happy to write a recommendation on behalf of Mr. Antony Barone Kolenc, a Catholic layman presently working for the United States Air Force. Mr. Kolenc spoke last December at the annual Conference of Chancery and Tribunal Officials for the Provinces of New Orleans and Mobile. The title of Mr. Kolenc's sessions were: "The Supreme Court at a Crossroads". His talk was most engaging and informative for the participants of the annual conference. His insights were most informative and engaging. Obviously, the topic was most relevant to the group following the national elections in November of 2008.

The feedback which I received concerning Mr. Kolenc's talks, since I was the President of the Conference of Chancery and Tribunal Officials of the Provinces of New Orleans and Mobile, was positive and many of the participants thoroughly enjoyed his presentation and the follow up discussions. His presentations were balanced and filled with substance.

I would highly recommend Mr. Kolenc as a speaker on the issue of Church and state relations here in the United States. Also, it is "refreshing" to have such an engaging speaker and one who is in love with the Church, but can also present a fair and balanced presentation. Of particular importance is his ability to engage those whom he is speaking to, and with doses of humor. I think any group would enjoy having him as a speaker.

If you need further information and/or comments, please do not hesitate to contact me at P.O. Box 1966, Mobile, Alabama 36633.

Sincerely in Christ,

Reverend Monsignor Michael L. Farmer, V.G.
Vicar General and Moderator of the Curia
